Example of logo, ABOVE:

The EPA Region 6 Water Division American Heritage River Initiative - River Navigator for the Rio Grande program is hosting an art contest for Texas High Schools along the Rio Grande from El Paso to Brownville. We are inviting high school students to design an American Heritage River logo for the Rio Grande. If selected as the Grande Prize winner the logo would be used for all River Navigator, Rio Grande materials, and put on our website as the Rio Grande official logo. Students would submit their artwork to their high school, which would then select the top two illustrations. **The selected illustrations would then be mailed to the EPA El Paso offices by October 1, 2003.** All logos submitted will be displayed to be judged by participants at the Biannual Meeting to be held on November 3-4, 2003 in El Paso, Texas.
